#### Notes

*Living with Nicholas and family according to the Twelfth Census of the United States taken in June 1900. This census was taken on the 16th day of June 1900 in Kansas, Nemaha County, Washington Township. It lists her age as 49 and that she was born July of 1850 in Switzerland and that she immigrated in 1887. She appears in a 1905 Kansas Census taken in March of that year Nemaha County, Washington Township living with Nicholas and his family. Her age was listed as 54. Both of these census would agree with the family information received from Tim Gerber. In the Apostolic Christian Church Cemetery by Bern, Kansas there is a Christine buried. The dates on the stone are 1846 to 1911. I have not been able to confirm that it is the same person. Jacob & Nicholas are both buried in this cemetery. (Emmy Banwart)*
