

Descendants of Gottlieb Moser

Generation No. 1

1. GOTTLIEB⁷ MOSER (*JOHANN⁶, BENEDIKT⁵, NIKLAUS⁴, HANS³, HANS², PETER¹*) was born December 06, 1853 in Zollikofen, Canton Bern, Switzerland, and died June 18, 1917 in Millersburg, Clinton Township, Indiana. He married MARY E. DANCER Abt. 1888. She was born October 1868 in Switzerland, and died 1955 in Millersburg, Clinton Township, Indiana.

Notes for GOTTLIEB MOSER:

Gottlieb immigrated to the USA in 1877. Mary immigrated in 1880. The 1910 U.S. Census for Kansas, Nemaha County has Jacob immigration in 1877. I haven't found anything to corroborate this as in another census Jacob is listed as immigrating in 1880. According to the 1900 United States Census Gottlieb & Mary Moser and his family of 7 children lived in Montgomery Township, Woodford County, Illinois. Nicholas and Jacob his brothers had both settled in that area. In the 1910 census the family was living in Elkhart County, Benton Township, Indiana. They must have moved to Indiana sometime after 1907 as Charles was born in Illinois in 1907. The youngest son Ben was born in 1909 in Indiana. Gottlieb died on June 18, 1917. 1920 Census Mary is head of the household. From letters written to Emma Moser Leuthold Aunt Mary was living in Millersburg, Elkhart County, Indiana. In December 1938 she and her son William were living on the farm. William died in 1943. From a letter written by her daughter Mary was not very well in 1954. She died in 1955. Gottlieb, Mary, William, Ben and his wife Dena are buried in the cemetery at Millersburg, Indiana. The farm is still being farmed by the Moser family.
